The background of the entire page is a photograph of a dense Amazon rainforest. In the foreground, there are lush green trees. In the mid-ground, a thick layer of white mist or low clouds hangs over the forest. In the background, more forested hills are visible under a cloudy, overcast sky. A thin, light-colored grid is overlaid on the image, with vertical lines spaced evenly across the top half and horizontal lines spaced evenly across the bottom half.

A Night to Protect the Amazon for Years to Come

JANUARY 22, 2026

Jazz at Lincoln Center
New York City

Join us for a *Purpose-Driven* Event

On January 22, 2026, Junglekeepers will host its inaugural Gala at Jazz at Lincoln Center: A night of purpose, unity, and determination to defend the Amazon when it needs us most.

More than 300 leaders in philanthropy, conservation, and culture will come together for an unforgettable evening of impact—and your presence will make a world of difference.

Event *Details*

This special evening will feature a cocktail reception where guests can mingle and connect, followed by a seated dinner accompanied by an inspiring program showcasing our conservation achievements and vision for protecting the Amazon.

We'll also celebrate our founding donors who make our work possible.

OUR GOAL

We need to raise \$2.5 million to sustain critical protection efforts for Peru's Las Piedras corridor. The Gala is both a celebration of our achievements and a call to action for the Earth's future.

MAXIMIZING EVERY DONATION

We make the most of every donation and sponsorship to protect the Amazon for years to come:

- 88 cents of every dollar donated go straight to on-the-ground action, including direct land acquisition and our ranger program
- 8 cents go to management and administration
- 4 cents go to fundraising

WHY THIS GALA & YOUR SUPPORT MATTER

The Amazon is the beating heart of our planet. It regulates our global climate, contains one-fifth of the world's freshwater, produces 20% of our global oxygen, and sustains Indigenous communities. Yet this life-giving forest is vanishing at an unprecedented rate.

In May 2025 alone, deforestation in the Amazon surged 92% compared to May 2024. Across the first six months of 2025, overall forest loss has climbed nearly 27% year-over-year. Every day, the equivalent of hundreds of football fields of rainforest are being erased, destabilizing the weather, displacing people, and silencing countless species forever.

BUT THERE IS HOPE.

Together, we can
change the course
of history.

We've already safeguarded more than 120,000 acres of rainforest in Peru's Las Piedras corridor. By becoming a sponsor, you can further our work to:

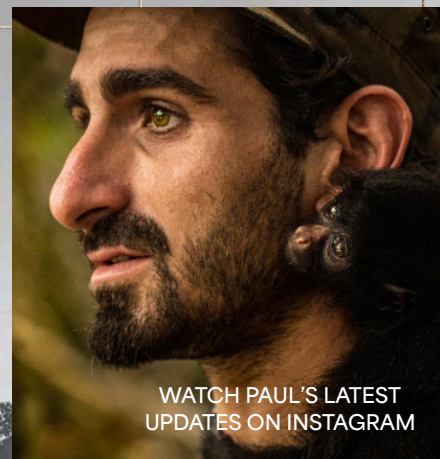

- Acquire & Defend Rainforest Land
- Halt Illegal Logging
- Empower Local Rangers
- Protect Wildlife
- Lock in Permanent Protection for the Forest

Our immediate goal is \$2.5 million as part of a \$34 million vision to secure the entire corridor: a living shield for the Earth's future.

This gala is more than a celebration of what has been achieved. It is a call to action. Every table, every sponsorship, and every paddle raised directly fuels land acquisition, ranger patrols, and permanent forest protection.

You have the power to save the beating heart of our planet as a Junglekeepers sponsor.

MEET OUR FOUNDER

Paul Rosolie

Paul Rosolie is a conservationist, author, and explorer who has dedicated his life to protecting the Amazon. With two decades of on-the-ground experience in Peru's Las Piedras region, Paul has forged partnerships with local communities, Indigenous leaders, and conservation organizations to defend one of the most biodiverse regions on Earth.

COLLABORATING WITH LEADING CONSERVATIONISTS

Junglekeepers operates with a predominantly local team, reflecting our commitment to community-driven conservation.

The organization was co-founded with **Juan Julio Durand**, our Vice President and a visionary conservationist who conceived the corridor vision 25 years ago. He was recently featured by TIME as one of the 100 climate leaders of 2024.

Roy Riquelme Romero, President of Junglekeepers Peru and a chef from the Madre de Dios region, leads our Peruvian operations with deep local knowledge and forest connection.

The work of Paul, Juan Julio, Roy, and the Junglekeepers team has been featured by National Geographic, TIME, CNN, ABC, BBC, and the United Nations, inspiring global audiences to take action.

SPONSOR BENEFITS

Now is the moment to come together and make a tangible difference. By sponsoring the Junglekeepers Gala, you'll join us for a historic evening while safeguarding the Amazon for generations to come.
